Presents

“Integrating Attachment and Reflective Functioning in Psychodynamic Approaches to Supporting Women During Pregnancy and Postpartum”

By

Jennifer Halpern, M.A. – Psychology Intern

**Dr. Laura Lamontanaro, Mentor
Nassau University Medical Center
Department of Psychiatry**

On

Wednesday, February 22nd, 2023

1:00 p.m. – 2:30 p.m.

In

Amphitheater

Learning objectives:

- 1. Enhance awareness of psychodynamic approaches to working with women (and families) in the perinatal period.*
- 2. Provide an overview of ways to assess trauma, mentalization, and insecure attachment in the perinatal stagusing clinical-research measures.*
- 3. Explore the links between early trauma, attachment security and initial reflective functioning skills of perinatal women with respect to their level of psychopathology, specifically anxiety and depression.*

Target audience: Physicians, Fellows, Residents, PA's, NP's, Pharmacists, Medical Students and all other personnel involved in patient care.

CME Accreditation: NUMC is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

Credit Designation: NUMC designates this *Live Activity* for a maximum of 1.5 AMA PRA Category 1 Credits TM.

Disclosure Policy: NUMC relies upon planners and faculty participants to provide educational information that is objective and free of bias. In this spirit, and in accordance with MSSNY/ACGME guidelines, all speakers and planners must disclose relevant financial relationships with commercial interests whose products, devices or services may be discussed in the CME content or may be perceived as apparent conflict of interest. Any discussion of investigational or unlabeled use of a product will be identified.

Planner and Speaker's Disclosures: “The planner(s) and presenter(s) do not have any financial arrangements or affiliations with any commercial entities whose products, research or services may be discussed in these materials.”

Funding: No commercial funding has been accepted for the activity.
